## **PARTIAL RELAX MASSAGE // 30' / 4.500**

Back/ legs: Relaxation massage is a gentle, pleasant manual massage that achieves body relaxation.

## **REFLEXOLOGY // 30' / 4.500**

By massaging the feet and stimulating specific points, we improve the normal functioning of our body. Some zones on the feet correspond to all organs and over 70,000 nerve endings. Foot massage relaxes, refreshes, and gives a feeling of lightness to the legs.

## **PARTIAL THERAPEUTIC MASSAGE // 30' / 4.800**

Back/Legs: Therapeutic massage is a combination of several different techniques aimed at reducing pain and muscle tension.

## **AROMA / RELAX MASSAGE // 60' / 6.200**

Relaxation or aromatherapy massage is a gentle and pleasant manual massage of the entire body to relax the whole organism. Adding essential oils promotes a holistic effect, allowing for a higher degree of relaxation and balance of the entire organism.

## **THERAPEUTIC MASSAGE // 60' / 7,200**

Therapeutic massage aims to produce specific therapeutic effects, including pain and tension relief. It can vary in intensity from moderate to vigorous. The goal of this massage is defined through collaboration between the client and the therapist. Various techniques are used, which the therapist adjusts based on your condition. The "deep tissue" technique focuses on deeper layers of tissue, targeting painful and tense areas of the body.

## **CANDLE MASSAGE // 60' / 7,500**

Candle massage falls into the category of relaxation massage, while the unforgettable experience is created by the warmth that releases the scent of essential oils, achieving an aromatherapy effect. The candle is made of palm wax and shea butter, which nourish your skin, making it radiant and elastic.

## **PINDA MASSAGE // 60' / 7.500**

An ancient Indian technique, considered a part of Ayurveda, is an herbal massage. The massage uses oil and carefully selected medicinal herbs from the Fruška Gora region. The medicinal herbs are packed into heated massage pouches. This technique relaxes muscles, alleviates pain, and reduces stress caused by modern-day living.

## **HOT STONE MASSAGE // 60' / 7.500**

This type of massage can be freely said to be an energy treatment because it has long been known that volcanic stones carry extremely high electromagnetic potential. Combining heated stones and gentle therapist movements leads to deep muscle and mental relaxation. Heated stones are placed on the main energy points, gently releasing heat transmitted throughout the body.

## **ROYAL MASSAGE WITH FOUR HANDS // 50' / 9,900**

Royal massage is performed simultaneously by two therapists who relax your body with synchronized movements, leading to deep relaxation. It falls into the category of relaxation massages.

## **COUPLE MASSAGE // 60' / 10.900**

Couples massage involves relaxation massage for two people simultaneously in the same room.
